

PRESIDENT FOR SESSION 2025-26

Hello, I'm Abdul Rahim, a BS Economics student at NUST with a strong passion for marketing and e-commerce. My journey blends economics, data analysis, and digital marketing into a cohesive learning experience. I believe education can be and is the basic tool to make a difference in the world and to uplift those in need. Let's come together to bring the change that the world needs.

REMINDER

"Do more
of what you
love."

@pageforward

“ At PageForward, we collect used books, notebooks, papers, and other educational materials — giving them a second life and a second chance to make a difference. ♻️📖

We also raise funds to support students who deserve access to quality resources but lack the means to get them.

Our goal is simple: to break barriers to education and build a culture of sharing, sustainability, and support.

Every book donated, every rupee contributed — helps a student move one step closer to their dreams. 🌍🎓

“what do
we do?”

@pageforward

“

We are a group of passionate students driven by the vision of a more educated and sustainable world.

At PageForward, we believe that every small act counts, from recycling books to sharing knowledge, because real change starts with what we already have.

Our mission is simple: promote education and sustainability by giving used books a new life and a new purpose.

Together, we're turning pages into possibilities. 💡💙

Message from Our President

ABDUL RAHIM.

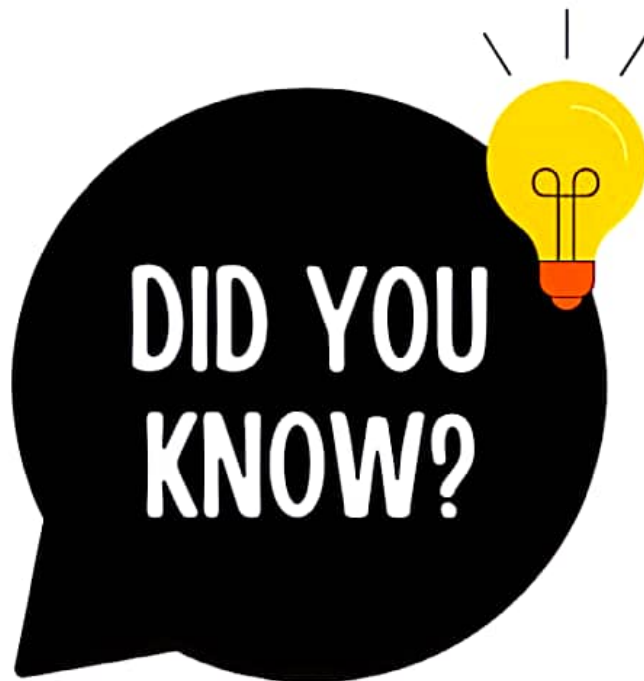

"Education is not just a right; it's a bridge to a brighter future. At PageForward, we believe that no book should gather dust when it has the power to spark dreams, change lives, and uplift communities. By simply passing forward the books we've read, we light the path for someone else's journey.

This initiative is more than just sharing resources – it's about sharing hope, opportunity, and the belief that every child, every student, deserves a chance. Let's come together to turn every page into progress. One book, one child, one future at a time. Join us in writing a new chapter – for them, and for the generations to come

Over 4 billion trees are cut down each year to produce paper and a huge portion of that becomes books that are read once and forgotten. Millions of usable books end up in landfills while students across the country struggle to access learning materials. At PageForward, we say: don't let stories go to waste. Donate your used books. Reuse. Recycle. Reignite minds. Because one book passed forward is one tree saved and one life changed. 🌱🌍

Guess *What?*

WHETHER IT'S A MATH TEXTBOOK, A CLASSIC
NOVEL, OR A WELL-WORN STORYBOOK
PASSING ON A BOOK CAN LIGHT UP
SOMEONE'S WORLD JUST LIKE YOUR FAVORITE
SONG ON A RAINY DAY. 📖🌟

AT PAGEFORWARD, WE BELIEVE EVERY USED
BOOK HAS THE POWER TO CREATE NEW
BEGINNINGS. DONATE A BOOK, SPREAD THE
HOPE.
